WORK EXPERIENCE

Network Connex – Columbia, MD May 2026 – August 2026

Marketing Intern

- Collaborated with the marketing team to deliver high quality content to various platforms belonging to both Network Connex and National Technologies, meeting deadlines and monitoring user engagement
- Built multiple employee profiles on the websites for both Network Connex and National Technologies to showcase employee's work, skills, and passions
- Stayed current on emerging trends and new technologies in the fast-growing industry of artificial intelligence, fiber optic infrastructure, and data center deployment

Men's Wearhouse - Columbia, MD December 2024 – May 2026

Sales Associate

- Made meaningful connections with customers to create a hands-on experience and drive sales to meet the store's annual volume goal of \$2.5 million
- Provided knowledgeable information to customers about different suits and design looks that they feel their best in

Men's Wearhouse - Lone Tree, CO October 2023 – December 2024

Store Lead

- Managed and motivated my team of 10-12 employees to hit our store's goal of \$3.5 million annually in volume
- Organized the store and managed my department of responsibilities to ensure operations were running smoothly
- Ensured customers were taken care of and left the store with a good experience

Whole Foods - Highlands Ranch, CO March 2023 – October 2023

Bakery Associate

- Performed in a fast-paced environment to meet deadlines and complete daily tasks
- Managed multiple tasks at once and stayed organized to meet company and department requirements

PROJECT EXPERIENCE

Album Design November 2025

Album Design for Client

- Collaborated with the client on themes for her album cover and created a pitch deck to display my ideas
- Used creative and technical skills to create different designs based on the album

Personal Website December 2025

Website to Showcase My Work and Skills (shannoncorrie.com)

- Created a website that shows my work and skills in a way that is organized, engaging, and interactive
- Worked with web building tools furthering my design skills
